

Dear Recipient,

United Medical, LLC is a local healthcare management company in your community. We are pleased to invite our local **Companies & Client Providers** to assist by acting as sponsor for our '1st Inaugural Run/Walk for Health – Benefiting the YWCA Delaware'. This event will be held on **August 29th, 2015 at the Wilmington Riverfront – Dravo Plaza – 815 Justison Street – Wilmington, DE 19801.**

Our goal in hosting this event is to help the YWCA Delaware to educate the community about their mission of '*Eliminating Racism, Empowering Women*'. United Medical is proud to lend a hand in celebrating the many milestones the YWCA has had for their clients. Please help us by joining United Medical in our '1st Inaugural Run/Walk for Health' in bringing this goal to fruition as we make a concerted effort to enlighten the public of their mission.

There will be tables set up on site to provide Blood Pressure Checks, BMI Screenings, Healthy Heart Awareness information and much more. A well-rounded group of passionate volunteers and Board members will also be on site to encourage the community to think Healthy by actively engaging in physical activities. We hope to welcome our local **Companies & Client Providers** as a sponsor that will share in our commitment to advancing both social and economic opportunities for women and families in Delaware by donating all proceeds to the YWCA Delaware.

There are also significant branding and recognition opportunities at each level of sponsorship, which are detailed on the Races2Run website. The www.races2run.com contains the registration and sponsorship forms. Simply go to the site and select '**Events**' and look for **United Medical Run/Walk for Saturday Aug. 29, 2015. Early bird sponsors who confirm by July 15th** will receive prominent placement on our banners and T-Shirts worn on the day of the event.

Last year more than 75% of YWCA clients **directly benefited** from the funds raised. In 2014, proceeds from prior donations, helped the YCWA to achieve the following significant outcomes:

- 98% of their homeless clients exited to stable, independent housing (exceeding the 30-60% average industry success rate for Delaware homeless shelters, cited by the Homeless Planning Council).
- 91% of their foreclosure clients have had a positive resolution (exceeding the 25% average industry success rate of similar agencies, cited by the Delaware State Housing Authority).
- 100% of low-income girls graduated from high school in the YWCA Girl's Program (exceeding the 70% of low-income graduates from Delaware high schools in general). 69% completed the higher education and career goals they set to accomplish by graduation.

Please see the Sponsorship Form on the following page to confirm your participation or have any questions regarding this event. Thank you in advance for your time and consideration of this request!

Kindest Regards,
Kemal Erkan, CEO of United Medical, LLC
