

6th 5k for Teri

Hosted by Aetna Hose Hook and Ladder, Newark DE
Race Date: **Saturday, April 9, 2016, 9 AM, Fire Station 9**
31 Academy St, Newark DE

In the summer of 2010, the Aetna Fire Department lost a beloved member of their firefighter family in a tragic traffic accident near her home. Teri Schall was a loving wife and mother, caring friend, skilled FF/EMT for Aetna and a dedicated athletic trainer for Middletown High School. Teri left behind a husband and two young sons, and an array of friends and family.

Since 2010, Middletown High School has hosted a memorial 5K Run/Walk in her honor, the proceeds of which go towards a scholarship fund that is divided between the education of her sons and a select high school student interested in the emergency services field.

This year, her Aetna Hose Hook and Ladder family will be hosting the event at Fire Station 9.

Please consider making a donation at one of the sponsorship levels listed below, however all donations will be accepted.

Please make checks payable to: **5K For Teri**
